MIA

Mia started the action today as she makes Matt eat her sweet pussy. Then she reaches out for her man's extra-hard cock. Then she wraps her luscious lips around it and when she's done stuffing her mouth with it, he stuffs it into her pretty pussy and gives her a hard pounding. Just the way she likes it, and we like to see it!

## LETTERS FROM OUR READERS

*Letters that should or shouldn't have been written, or at least sent to us!*

### A FUCK FAVOR

My buddy Keith needed a favor. He said that Felicitas, a friend of a friend of his, was fresh over the border from Mexico. She was looking for someone to show her the sights. He also said that she was about a thousand times more beautiful than any of the blonde American bimbos I hang with, and he was right. With her wild black hair and full, round tits, not to mention that tiny waist and a perfectly rounded ass, well, she had my dick swollen by the time she sat down in the booth at the bar just around the corner from her apartment.

I guess she was feeling the same way, because after only a couple of beers, I felt her toes touch me under the table. I could hardly believe my luck when I first felt her foot sliding up my thigh. "How you say...?" she began, the sole of her foot busily massaging my hardening cock. "Do American guys like to...leek poosy?"

Well, this American guy does, that's for sure, and in about two minutes we were at her place. Once there she lost no time stripping herself naked—no shy American bullshit for this girl—before getting down on her knees and reaching for my raging cock. The sight of her lush, brown body, coupled with the feel of her sensuous lips, was enough to make me groan.

Expertly she worked me over, her tongue lapping up and down the length of my shaft. She toyed with my swollen knob, flicking at the sensitive underside and pok-

ing her wet tongue into my hole. Her lush hair tickled my belly while I wound my fingers in her tresses, holding her close. Her red-tipped fingers worked on my balls while her mouth opened to take me in. I gasped at how warm and wet she felt. She sucked my big cock all the way into her mouth, swallowing me whole and then some. The feel of being buried deep in her throat, along with her lips tickling my balls, almost made me come right then.

But, much as I wanted to explode into her willing mouth, I also wanted a taste of that fine, dark pussy. I pulled away from her greedily slurping mouth and pressed her back onto the carpet before ripping off my pants and shirt. Damn, she was a sight, all spread-eagled on the floor, her delicious pussy covered with thick black hair. She grinned at me, too, then reached down with her fingers and spread those purple lips wide, exposing the tender pink flesh inside.

In an instant I had my face buried deep in her Mexican slit, inhaling her musky scent while my tongue reached for her swollen nubbin. She squirmed under me as I flicked at her fat clit, and began to moan when I tickled her moist hole with my fingers. Unlike

some of the frigid Anglo girls I've known, Felicitas wasn't afraid to show how hot she was. Soon she was bucking under my mouth, letting out a stream of loud, unintelligible Spanish as she thrashed with lust.

Now I was fucking her hard with my fingers, and her words had melted into a high-pitched whine of desire. I held on tight as her hips gyrated, then pulled her

HER WILD BLACK HAIR AND FULL ROUND TITS, NOT TO MENTION THAT TINY WAIST AND A PERFECTLY ROUND ASS

close to me when she let out a scream and went rigid under me. Man, this girl knew how to come! She screeched and moaned, flailing her arms and screaming out my name. I lapped up her tasty girl-juice while she wailed like a banshee.

Luckily for me, she knew how to fuck, too. As soon as her moans died out, she pushed me flat on my back and crawled on top of me, holding my arms flat to the ground while she positioned her sopping wet pussy directly over my straining cock. I bucked up to meet her but she just grinned at me and kept her pussy-hole out of reach.

She lowered herself just enough that I could feel the silken inner folds of her pussy on my sensitive mushroom-shaped head. Mercilessly she teased me with her wet flesh, smiling when I strained to reach her. When she finally took pity on me and lowered herself onto my aching cock, I shoved up into her, groaning with need. She rode me like a horse, bucking up and down on my raging cock, her hair flying, her tits bouncing up and down.

I grabbed hold of her fat, dark nipples, squeezing as she humped me, her eyes squeezed shut. Her tight pussy grasped at my pumping cock, her muscles stroking me as she bobbed up and down. She started hollering out that rapid-fire Spanish again as she rode me. In just a few seconds, she was coming again. Her pussy clenched hard around my swollen cock.

With a groan, I unloaded into her willing pussy, my jizz like fire as it seared in my balls and then up through my shaft before finally spewing deep inside her. Her pussy latched on even tighter then, clenching around my spurting cock and practically sucking the juice right out of me. My shaft had never been milked half as good

by any Anglo girl, and with one last thrust, I emptied the last of my cream inside my Mexican honey. With a satisfied smile, she draped herself on top of me, pressing those soft, sweaty tits against my chest.

I swear it wasn't two minutes later when I felt her fingers tickling my balls, and it was only a minute or two after that that my cock swelled inside her willing pussy. Later, after we'd fucked and sucked about a dozen more times, I remembered to call Keith and thank him.

"Helluva big favor, dude," I said. Keith just laughed. What a buddy.

### STRAWBERRY PUSSY

You know, if there's one thing I've found in my 35 years, it's that pussies come in all shapes and sizes. They come chubby and thin-lipped, hairy and bald, gushy and barely moist. But my favorite thing about pussy is all the different flavors.

I'm serious. I've licked enough pussy to know that each and every one tastes different. There are the spicy ones, tangy and hot enough that you'd think you were gobbling up jalapeño salsa. Then there are the mellow ones, creamy and mild, with just a hint of vanilla or maybe nutmeg. Every once in a while, though, there's that special one, the pussy that drips with sugary nectar.

Penny, my latest cock-tease, has a pussy like that. Filled to overflowing with the sweetest-

tasting girl-goo imaginable, I swear she tastes just like fresh strawberries.

I didn't know about her flavorful pussy when we first met, but I could tell from the beginning that she was one hot little number. Long and lean and very pretty, this little blonde was every guy's fantasy. Luckily for me she had a libido to match.

Hell, she wasn't working in my department for more than a

SHE SUCKED MY BIG COCK ALL THE WAY INTO HER MOUTH, SWALLOWING ME WHOLE, AND THEN SOME

week before we went at it in my office. In no time flat, I'd planted a wet kiss on her full, ripe lips and reached for her small but well-rounded titties. She wiggled appreciatively under my touch as

I rolled her thick nipples in my fingers and massaged her tit-flesh.

But when I let my hand slither down lower under her mini-skirt, I thought she was going to come right there. Hot damn, she was one horny girl. Her panty-less pussy was already dripping wet. She cooed as I slid my fingers over her swollen little clitty and gasped as I fingered her moist slit.

She was obviously more than ready to fuck, but I wanted a taste of her juicy little pussy before we got down to the main course. With one hand, I cleared my desk, dumping everything to the floor before settling Penny's fine ass on the glass-covered surface. Spreading her legs wide, I pulled her to the edge of the desk and dived in head-first, reveling in my first taste of her sweet pussy.

I lapped up her thick, strawberry nectar, my tongue plowing her tight little slit before moving up to lick at her small but swollen clit. She moaned as I sucked her nubbin into my mouth, nibbling on it with my teeth, wanting to swallow more of her tasty flesh. I spread her thighs farther apart as I attacked her honeyed snatch. Soon she was thrashing on my desk, whimpering as I flicked at her succulent clitoris.

With a cry she plunged over the edge, more of her sweet juice gushing out as her clit quivered under my tongue and her legs vibrated under my fingers. I licked her until her trembling had stopped. Then, in one motion, I freed my raging cock and plowed it up to the hilt in her strawberry field.

She felt as good as she tasted. Tight and still spasming, her tight little pussy clamped down on my cock and sucked it in as I speared her again. Her skirt was up around her waist and her blouse was

open, exposing her jiggling titties as I fucked that horny little vixen fast and furious, the way she obviously liked it. I raised her legs to my shoulders, and she moaned as my strokes became harder. With a practiced hand, she stroked the sensitive sac.

Her pussy-hole grasped and squeezed on my pistoning cock as I plunged my way deep into her. In hardly any time at all, I felt my balls swell under her fingers and, with a cry of my own, I began to spew into her sweet depths. My balls slapped her tight ass as I pumped her full of my jizz, her pussy milking my spasming cock for all it was worth.

Being the horny little wench that she is, by the time my cock had finally emptied into her luscious pussy, she was grinning at me and fingering her obviously still-swollen clit. Seems like, in addition to having the tastiest pussy around, she also has one of the most insatiable.

That sure as hell didn't bother me. In no time at all, I'd swatted her fingers away and latched onto her syrupy nubbin again, eating her to another mind-blowing climax. Luckily, after she'd had her share of coming, she also returned the favor. I found, to my delight, that she was quite the little cocksucker.

Now, after a couple of months of non-stop licking, sucking, and fucking, I can say without a doubt that Penny's pussy wins the prize,

hands down, as the sweetest ever. I, of course, spend plenty of time rewarding her for having such a winning pussy.

SEEMS LIKE, IN ADDITION TO HAVING THE TASTIEST PUSSY AROUND, SHE HAS ONE OF THE MOST INSATIABLE

Sure, I'll probably move on eventually. There are an awful lot of willing wenches out there. But for now, I'm happy just spending time, lots and lots of precious time, between her warm candy-coated thighs.

## BRITNEY & ALEX

“Miss Amber, we need to talk about your performance.” The girls giggle at their makeshift office roleplay: Alex as the sexy boss, and Britney as the innocent intern. The intern begs to keep her job by stripping down to her thin button down shirt to reveal her big tits. Alex can’t resist giving Britney a professional pussy assessment.

# SEAMAN'S SINS

### *A week in port turns into a nonstop sexfest with three horny sluts*

*As a ship's officer I have found it necessary to have other women to take the place of my wife for my sexual needs while at sea. I should mention that I love my wife. And whatever I chose to do when I am away is purely for sexual relief.*

As a seasoned seaman, my usual method of sexual release is jerking off. I have always been a bit of a voyeur, so at the port where we mostly stay there are several strip clubs. I don't really dig those places, as they are generally filled with guys drooling over the dancers. But a few daytime excursions led me to discover that these bars open at 11 in the morning and after the lunchtime crowd leaves, about 1:30, they're empty until late afternoon.

I soon found a lounge which became my hideaway. I was sitting at my table and, since nobody else was around, I started to secretly jerk off under the table, my cock "dressed" in a condom. I was most embarrassed when someone tapped me on the shoulder.

I looked up to see the woman that manages the lounge smiling at me. She told me that for a small fee I could sit in the cubicle right below the dance, and as it was all walled in I would not be disturbed. I was dismayed at having been so obvious at being spotted so quickly, so I paid for a cubicle.

The cubicle was totally private from the rest of the audience but what I didn't realize was that the stripper had a perfect view of me as I masturbated. It turned out the girls like a man to masturbate when they danced, as it was a compliment. They liked me even more than most guys because I left good tips and always invited the girl

who made me come to have a couple of drinks. I went to my lounge every day and became very popular. My favorite girl was Margot. Even though she was my prime sex object, I treated the other girls to drinks as well.

Margot was a funny girl. She was a part-time prostitute but she did not try to get a hold on me. Finally I was able to get her to go out with me for dinner. We became friends. I rented a car to take her out to dinner and on the way back to her home she said I could stop at a remote place and get my "horns down," as she called it. She had already referred to me as a "jerker."

She told me to help myself and lifted her skirt, showing that she did not wear any panties. (That she thought I was hooked on masturbation is not surprising, as that is all she had seen me do.) I managed, however, to get her to dance for me at her place and when she stripped, I jumped her. One thing she liked was during her dancing I revealed one of my "hookups": ladies' underwear and stockings under my regular clothes. But I proved to Margot that I was a fucking man. And then I met Dolores.

Margot told me they had gotten a new stripper from New York who I just had to watch. According to Margot, the new girl was really something for me. I paid the boss the usual fee and sat down in the cubicle while Margot went in to change before her dance. I don't think I am easily shocked but it was a minute later when this chick came into my place. I remember I just got up on my feet and I started to shake. And no wonder.

I am 6'1". I am not fat but I am considered to be among the strong men. As a ship's officer I would command my crew around. I knew right away that Dolores was my superior in strength and willpower. She's an inch

shorter than me, but her high heels more than made up for it. She is not fat at all but I knew when I saw her that her weight was more than mine. Dolores is 35 years old and black as ebony.

Dolores is proportionally perfect. The thing which makes guys go gaga over her is that she is so big. Tits, ass, thighs and legs are superb—and big! She is just awesome! She is a former champion wrestler and stronger than any almost any dude I ever have met. I know I am pretty strong myself and have tried to wrestle her, but I am just like a kid in her immense grip. And I am proud to say that I'd do anything for her. For a big blond-haired ship's officer to admit to being the bitch of a female who not only is black but also a full-fledged lesbian is something in itself.

I must say that during the time I have known Dolores I have become somewhat more perverse. In my mind I love things which I considered before to be what only freak would enjoy. It's amazing how your outlook on life can really change in a short time. And now I will tell you what happened on the day in question...

I undressed and put on the usual outfit I always wear when I am at Dolores' place. It was Sunday and the bar was closed. The ladies' panties smelled beautiful from the perfume that Dolores always soaked them with before I put them on. Her dark nylons and garter belt fit me like a glove, and when I took on the crotch-less underwear my cock was already at half-mast. The opening in the bottom is exactly big enough to leave my cock and balls fully visible.

Dolores helped me to put on the bra, and after she had put in the false cups it looked like I had two firm, ripe tits! After I had on the high-heeled shoes she started on the makeup. Finally she put on the wig with the long, black hair, and when I looked in the mirror I was really looking like a sexy she-male. The only thing which gave

me away was the presence of my large and hard cock. Then I put on a sexy, see-through black robe I had just bought her.

Dolores was pleased with my look; she gave me a scotch and water and told me to sit and wait until she came back. I was very excited as to what would happen. Margot and Dolores had something sexual between them. The other visitor, Marlene, I had just met for a few minutes the day before. Dolores was in love with her but the young girl did not seem to go too much after lesbian love. However, Margot had given her some hints about a party at Dolores' place and had told her about my being present, and she was all for coming and to have her kicks from seeing me.

A few minutes later I heard the doorbell and then Margot's laughter and the sound of the young girl, the target of my mistress—and the reason for this small party. Dolores had nicknamed me when I was cross-dressing "Bella," and so now Margot laughed and called, "Come Bella, let us have a look at you." I was a bit surprised to find that my cock had softened and was hanging down when I took the tray and opened the door. Perhaps the pretty young thing, who never had seen me like this, was the reason for my embarrassment.

The see-through nylon gown did not hide the ladies' underwear I had on, and neither did it obstruct the view of my long, thick cock which hung down between my thighs. As usual when seeing me like this, Margot screamed with laughter. And then she turned toward the beautiful girl beside her and said, "Isn't she beautiful?"

The young girl did not reply but stared at me with her big eyes wide open. I was unable to determine whether she despised me or desired me. I saw a cute smile form on her lips when she again looked down on my cock.

And it did not hang dormant for long when I turned around and offered a drink to Margot. When taking the glass with one hand, her other hand went in under my gown and started to tickle my cockhead, which reacted quite quickly. "Look at that snake uncoiling itself," she laughed and all three of them gasped as my growing erection sprang to life.

I could see Dolores watching the young girl's reaction, wondering if she should wait until she had more drinks before trying to seduce her.

But at that moment the action was concentrated between the big-busted Margot and me. My cock was now straining at the bit as the woman who first had me hooked on her started to unbutton her blouse. She knew my penchant for her breasts well enough. Margot had been amazed over how fast Dolores had ensnared me and how strongly she had me hooked. She had told me that if she had known how easily I could have been

subjugated to a woman, she would have taken me on instead of giving me over to Dolores.

After all, Dolores was a full-on lesbian and had never let me fuck her; Margot on the other hand, enjoys a fuck as much as she likes a lesbian encounter. She would probably not had had the grip on me as the big woman who often gave me admittance to her extremely large and open pussy but only for the touch of my lips and tongue. I had never met a woman as hooked on cunnilingus as Dolores. I sat down on the sofa beside Margot and started to pay homage to those amazingly large and firm breasts. I worked on one at a time taking the melon-sized mammaries in my hands—first the left, and while kneading it firmly I caught the grape-sized nipple in my mouth and sucked it.

Ever since I first met her, one of my most pleasurable moments is when feeling how her nipples grow and harden between my sucking lips. When I let go of the left breast and concentrated on the right, the nipple was swelling so it looked as if it was ready to burst.

I heard Margot's heaving breath and knew that she was becoming immensely horny from my breast treatment and her arms went around my neck. And when she shoved my head down, I placed myself on my knees between her open legs. When I planted a kiss on her pussy lips she was soaking wet.

I love eating pussy. I have in the last 10 years indulged in it and have tasted scores of lovely women. I ran my tongue over her clitoris and pink inner lips before penetrating her love tunnel.

I barely noticed Dolores sitting close beside the young girl, Elaine; they were both watching my licking and lapping performance of Margot's vaginal area. When I glanced up for a moment, I saw Dolores' hand cupping Elaine's jutting breast and knew that she was advancing nicely toward her goal.

Then Margot started to orgasm and her juices came flowing out of her. I then got busy scooping her liquid honey into my mouth with my tongue. Among all the women I have licked, Margot and Dolores are outstanding in the way they juice. I am not kidding when stating that I "drink" them, especially Margot.

I had Margot in heaven but I started to tire and paused for a moment. And then I saw that my performance on Margot had the hoped-for effect on Elaine. She and Dolores were involved in a hot kiss and I saw my mistress's arm under the young girl's skirt without being restrained. As I looked at them I saw Elaine's hand start caressing Dolores's large, round and soft breasts.

Margot was lying back with her eyes closed and moaning loudly. I knew from experience that her pussy lips were very sensitive. When I went down on her

again I softly licked them and could feel the whole body of the woman shake as soon as I touched her. Dolores said something to Elaine and I noticed the two get up and disappear into the bedroom and close the door.

Margot pushed my head off her lap. She happily announced that I had emptied her. When she saw my hard cock standing out she told me to go ahead and jerk off. When I hesitated she mentioned that I did not have to worry about the other two, they had plenty enough excitement at the moment.

"I was so dumb not to take you as my own, but I know that Dolores "owns" you now and that I cannot change it. But remember, in case she should let you go you will come to me, right?"

I promised but thought to myself that I hoped that 'my lady,' as I had been instructed to call her in private, never would tire of me.

When the two lovers finally came out from the bedroom I knew from seeing Dolores's satisfied smile that Elaine had been won over. I was pleased; perhaps if Dolores takes her into her house, as she plans to do, I may also get to experience some pleasure from the beautiful young girl.

All three of them sat on the sofa while I posed nude in front of them. I was certain Elaine is bisexual from the way she looked at my stiff cock; she did not hesitate when Dolores permitted her to use her hand on me.

Dolores held a towel under my cock while the young girl stroked me and seconds later I had one of the strongest orgasms ever. After the two guests had left, Dolores and I went to bed and the next morning I left my mistress very satisfied with my performance during the night.

*When I go on leave next time, I am going to stay with Dolores for a while before going home. I hope Elaine will be there as well. That's when my ship really comes in.*

# JANA AND HAYDEN

ALL-YOU-CAN-EAT  
LESBO PUSSYFEST

Is there anything hotter than two smokin' blondes going down on each other? What is it about lesbos that sets the red-blooded American male's heart racing and dick throbbing? Is it the idea of women so horny, they turn to each other for sexual release? Is the erotic dance of lesbian love more appealing to watch than any other carnal act? Is it simply double the tits, ass, and beave? Who gives a flying fuck? Leave such deep thoughts for another time, and get busy stroking your meat to Hayden Hawken and Jana Jordan's all-you-can-eat lesbo pig-out! Then go back for a second helping!
